

PROFILE

DIGITAL YOUTH COUNCIL (DYC)

Since May 2025, there are **10 groups** of children and young people from various regions who have joined DYC as members.

WHAT ARE DYC's GOALS?

1

Strengthening collaboration among children and youth groups interested in protecting children and youth in the digital world

DYC is a forum for organizations/groups of children and young people who are interested in protecting children and young people in the digital world.

FUNFACT

DYC was initiated by representatives from the Children and Youth Advisory Network (CYAN) group under the auspices of Save the Children Indonesia and the National Children's Forum under the auspices of the Ministry of Women's Empowerment and Child Protection.

2

Improving knowledge, attitudes and behavior among groups of children and young people regarding various digital competencies for children and young people

3

Encourage and monitor protection policies in the digital world that support children and young people.

4

Strengthening the meaningful participation of children and young people in various child and young people protection efforts in the digital world according to their capacity.
